

The institutions¹ named below agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. This agreement is valid for the Erasmus+ call years 20[22]-20[27] in:

- KA131
- KA171

The institutions commit to sound and transparent management of funds allocated to them through Erasmus+ and to respect the quality requirements of the Programme, outlined in the Erasmus Charter for Higher Education² and in this agreement.

The institutions agree on exchanging their mobility-related data according to the principles of GDPR³ and in line with the technical standards of the European Student Card Initiative⁴, when this becomes available for international mobility involving third countries not associated to the Programme.

Sending institutions located in EU/EEA countries have to ensure compliance with the provisions of art. 46 GDPR for all participants' personal data exchanged in the context of their mobility with institutions from non-EU/EEA countries without an adequacy decision, on the condition that enforceable data subject rights and effective legal remedies for data subjects are available in the respective third country. The participants should be informed in a transparent manner about the level of protection of their personal data, if this is different from the one where the sending institution is located.

¹ Inter-institutional agreements can be bilateral or multilateral in the case of mobility consortia:

- Bilateral agreements are for cooperation between one higher education institution located in an EU Member State or third country associated to the Programme and another institution located in a third country not associated to the Programme
- Multilateral agreements are for cooperation between a mobility consortium of higher education institutions located in one single EU Member State or third country associated to the Programme and another institution located in a third country not associated to the Programme.

Institutions commit to:

- Ensure recognition for activities satisfactorily completed.

The recognition process is carried out at the sending institution.

Recognition tools that will be used: [The European Credit Transfer and Accumulation System](#)

8. Grading systems of the institutions

It is recommended that receiving institutions provide the statistical distribution of grades or make the information available through **EGRACONS** according to the descriptions in the **ECTS users' guide**¹¹. The table will facilitate the interpretation of each grade awarded to students and will facilitate the credit transfer by the sending institution.

PORTO ALEGRE		https://www.ufcspa.edu.br/english/student-mobility/grading-system

PL KIELCE02 Grading system

The Polish grading system in higher education is based on the 5 to 2 scale, where 5 is the best mark and 2 is the worst. Moreover, students can also be marked with additional sign of + which equals half a point: + means 0,5 more. Some courses, however, are not evaluated on such a marking scheme and for these a student may simply obtain *zdi.* or *zaliczenie* which means that their workload was satisfactory and they have passed the course.

Local grade	ECTS grade	Local definition
5	A	Very good (<i>bardzo dobry</i>)

¹¹ The ECTS user's guide is available here: https://ec.europa.eu/education/resources-and-tools/document-library/ects-users-guide_en

4+	B	Better than good (dobry plus)
4	C	Good (dobry)
3+	D	Better than satisfactory (dostateczny plus)
3	E	Satisfactory (dostateczny)
2	F	Failed/Unsatisfactory (niedostateczny)
Zal.	Credit/approval	Credited without marks

UFCSIPA'S (PORTO ALEGRE) Grading system

UFCSIPA's grading system is based on the 0 to 10 scale, where 10 is the best mark and 0 is the worst.

Grade at UFCSIPA	Definition	Description
10.0	Approved with maximum grade	Student completed the course with excellent performance.
7.0-9.9	Approved without a final exam	Student achieved the minimum grade for approval without a final exam (7.0).
6.0-6.9	Approved after a final exam	Student achieved the minimum grade to take a final exam (4.0). After the final exam, student reached the minimum average for approval (6.0).
0.0-5.9 (Reprovado com nota)	Failed due to grade	Student failed to reach the minimum average for approval (6.0), even after the final exam, or did not attend scheduled assessments.
Reprovado por frequência	Failed due to lack of attendance	Student failed to attend at least 75% of classes and other scheduled activities.

9. Termination of the agreement

This agreement shall take effect upon the signing by the two parties and shall be valid until December 31st, 2027. In the event of unilateral termination, a notice of at least one academic year should be given. This means that a unilateral decision to

discontinue the exchanges notified to the other party by 1 September 20XX will only take effect as of 1 September 20XX+1. The termination clauses must include the following disclaimer: "Neither the European Commission nor the National Agencies can be held responsible in case of a conflict."
